A member of the Lloyd's Register group

71 Fenchurch Street, London, EC3M 4BS, United Kingdom

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

## Type Approval Certificate

### Other Conditions

1. Strainer and fittings are to be selected, installed and tested in accordance with the manufacturer's recommendations and applicable Rules and Regulations.
2. The following items to be marked at the suitable place:
  - Manufacturer's name or equivalent
  - Type No. or symbol
  - Particulars or ratings

This certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register EMEA of any modification or changes to the equipment in order to obtain a valid Certificate.

The Design Appraisal Document No. LR2326997TA and its supplementary Type Approval Terms and Conditions form part of this Certificate.
